- To increase awareness among students about self-employment.
- Yoga and various sports activities are organized for all round fitness, inner peace, enhanced energy, stress released, improved immunity, better flexibility and better intuition.
- Creating opportunity for students to participate actively in curricular and co-curricular activities.
- Value education class and morning assembly is compulsory for all the students to achieve inner peace and cultivate optimistic attitude towards life.
- Computer classes are held regularly to keep the students updated of ICT.
- Outreach programmes are organized for community building.

Best Practice 2

The title of the practice: 'Green and Clean Campus'

Objective:

The green campus initiative began with an objective of fostering a culture of eco-friendly practice and making the campus environmentally sustainable.

The Practice:

1. Cutting trees on campus is strictly prohibited.
2. Waste water is used in ground for planting.

Evidence of success:

1. Garden has been setup to enhance the greenery of the premises.
2. Tree plantation drives are carried out annually
