

## **Best Practice No. 1**

**The title of the practice:** ‘The Gift of Green ‘: Towards Building a sustainable and clean college campus”

**Objectives of the Practice :** We strive to create a model of education that is based on compassion and mindful living. The green campus initiative began with an objective of fostering a culture of eco-friendly practices and making the campus environmentally sustainable. We aim to build a campus that is plastic free, produces minimal waste, conserves energy, protects biodiversity and practices self –sustainability in areas of power, water and cleanliness. This is a collective endeavor of our students, staff and neighboring community in an effort to recognize our and responsibility on this planet.

## **Best Practice No. 2**

**Title:** Upliftment and Empowerment of Girl Students

**Objective:** Promote gender equality, provide equal opportunities for education and employment, develop leadership skills, and create a safe-supportive learning environment.

**The Context:** The college creates a safe and inclusive environment that provides protection against gender-based violence.

**The Practice:** Installing sanitary napkins vending machines in girls’ washrooms, organising awareness lectures and self-defence workshops.

**Evidence of Success:** Girls developed self-confidence, physical strength, a sense of empowerment, understanding of personal hygiene, health, and well-being.

**Problems Encountered and Resources Required:** Designing programs that appeal to all participants is challenging.

**Resources:** funding, infrastructure, trained staff or volunteers, and partnerships or consulting/inviting experts, other organizations or community groups.
