## **SECTION - A**

### **Plan of action chalked out by the IQAC in the beginning of the year towards quality enhancement:**

Vaish Education Society has a glorious past, marvelous present and an excellent promising future. It owes its establishment in the very crucial period of our freedom. It was a great privilege and rare moment in the history of Vaish Education Society to get blessings of the great soul ‘Mahatma Gandhi ji-The Father of Nation’ in the form of laying foundation stone of one of the Institutions on 16-02-1921. Vaish College of Education, Rohtak was established in 1969. It is affiliated to MDU, Rohtak and is recognized by NCTE and accredited by NAAC. The college is situated behind Railway Station Rohtak. It has become symbol of hard work and devotion leading to inevitable achievement in academics, social and cultural spheres.

The following plan of action was chalked out by the IQAC:

- Hawan/Yagya in the college premises at the 1<sup>st</sup> day of the session followed by the induction programme.
- Recruitment of the eligible teaching staff against the vacant post.
- More emphasis on ICT in teaching.
- Updating the students about the usage and applications of the latest technology.

- Enhancing the use of interactive board, power-point presentations in teaching learning process.
- To ensure the equal participation of all the students in the curricular and co-curricular activities, dividing them in Mahatma Gandhi, Tagore, Vivekananda and Dayanand House accordingly.
- To strengthen the teaching-learning process i.e. Class Room teaching, Micro & Mega teaching, Real School teaching practice etc.
- The major infrastructural development related to computer lab, classrooms and other facilities.
- Computerization extended to more areas of administration.
- Availability of internet facility at various places in college.
- To strengthen various cells and clubs of the institute i.e. Women Cell, Legal Literacy Cell, RTI Cell, Youth Red Cross Club, Placement Cell, Environment Club.
- To update the library by addition of new books, journals, reference books to enhance research activities.
- Arrangement of Extension Lectures, Seminars, conferences and awareness programmes etc.
- Enhancing Research skills among students and teacher educators.

## **2 New academic programmes initiated (UG and PG)**

Institute is having 100 seats of B.Ed. in Grant-in-Aid provision by Haryana Govt. and intake of 100 additional seats of B.Ed. under Self-Finance scheme, 25 seats of M.Ed. course and. At the time, students' strength is 222. No new UG/PG programme has initiated after this.

## **3 Innovations in curricular design and transaction**

B.Ed Syllabus was revised in 2010-2011. Curriculum (B.Ed and M.Ed Course) is designed by members of board of studies, M.D.U Rohtak.

The feedback collected about the course curriculum from the students and suggestions by teacher educators are routed to the Deptt. of Education, M.D. University, Rohtak to make changes/discuss about the weak areas of the syllabus.

Teacher educators transact curriculum through following methods/apporaches:

- Lecture method accampanied by disscussion and presentation by students.
- Multimedia Approach
- Techniques like Brainstroming, Co-operative learning
- Developing Constructivist approach among students.

#### **4. Inter-disciplinary programmes started**

Interdisciplinary activities are encouraged in the institute. All the students actively participated in the curricular/co-curricular activities. Students of B.Ed and M.Ed attended the Workshops/Awareness Programmes organized in the college which were delivered by the eminent personalities. Valuable tips were provided by M.Ed students to B.Ed students during their teaching practice to enhance their teaching skills. A Plan for programme orientation of all subject syllabus, University exams pattern, library orientation, ICT lab orientation and ET lab orientation are planned and organized.

- Our college became venue for PCP for M.A. (Education), CDLU, Sirsa
- College also remained the centre for PCP in B.Ed. course run by Directorate of Distance Education, MDU, Rohtak.
- College was centre for Spot Evaluation for B.Ed. and M.Ed. exam by M. D. University, Rohtak.

## **5. Examination reforms implemented**

As per the guidelines of M.D. University house examinations were conducted twice on the pattern of University's annual examination. By going through the house examinations students get an idea about the pattern of Annual exam of University , which helps the students in revising the syllabus and also help them in terms of time management during exams. We also provide sample question papers/previous year question papers of the University of the Related Subjects in library.

The following reforms were implemented:

- Question papers were computerized and were photocopied just before the commencement of the examination to ensure the confidentiality and the cost of effectiveness.
- Students were given effective tips regarding smart attemptation in exams. .
- Weak areas of the students were pointed out after house examination and accordingly remedial teaching was provided..
- Students were also given the individual guidance by the concerned teachers.

## **6 Candidates qualified: NET/SLET/GATE etc.**

- Most of our staff members are NET/SLET qualified. This condition is not applicable for the staff members who are exempted from NET/SLET as per UGC rule against Ph.D. and M.Phil. qualification.
- Four students of M.Ed. of the session 2010-11 have qualified NET in Education.

- Six students of B.Ed. and M.Ed. have qualified competitive exams of HTET and STET.

## **7 Initiative towards faculty development programme**

- Faculty is encouraged to attend seminar/conference/workshops. The registration fee/entry fee was paid by the institute. Teachers attended many seminar/conference/workshops.
- Orientation Programme on ICT was organized for Administrative staff during the Summer Vacations in June 2011 .
- Workshop on basic statistics was organized for teacher educators as well.
- Faculty members are encouraged for their research work.
- Faculty members are provided seed money for research work.(if needed)

Amount of grant sanctioned in March 2011 was Rs. 24, 82, 000 / under the scheme of additional assistance to colleges already covered under section 12B of UGC Act, 1956.

## **18. Community services**

Each citizen of country has certain duties towards his/her community, as the community contributes towards individuals' growth & development directly & indirectly. We feel that it is essential that our pupil teachers are sensitized to the responsibility towards community which they can transmit effectively to our future generations.

Following programmes were organized for this purpose:

- Cleanliness drive in the vicinity of college area. Student-teachers whole-heartedly participated in the cleanliness campaign of the college and its surroundings.

- Community Survey at Shravan Institute of Mentally Handicapped was conducted. This helped in developing the insight into the various problems faced by special children, their characteristics and remedies. This made teacher educators feel more responsible towards their social obligation for such children.

## **19. Teachers and officers newly recruited**

Ms Sapna Gupta- Clerk  
Ms Sunita Gupta- Peon

## **20. Teaching – Non-teaching staff ratio**

1:1<sup>+</sup>

## **21. Improvements in the library services**

Library is the soul of any educational institution. The students need to be motivated continuously for availing the library facilities. Book Bank facility is provided. We are planning to enrich our library with the 'open access' facility, which will help in developing good library habits in our students.

- A Library advisory committee is working continuously for the upgradation of the library services.
- The library is situated at first floor with increased seating capacity and infrastructure.
- More books are purchased this year according to the changed syllabus.
- Memberships of magazines, newspapers, journals are being updated from time to time.
- Subscription of some new research journals has been taken.

## **22. New books/journals subscribed and their value:**

	<b>No.</b>	<b>Value</b>
New journals subscribed	13	6165/-
Books	299	14,297/-

## **23. Courses in which student assessment of teachers is introduced and the action taken on student feedback.**

Since our college is a college of education, B.Ed., M.Ed. and D.Ed. are the main courses. Assessment of the teacher educators are done by the pupil teachers following the regular practice. Students were encouraged to give their free and frank opinion about their teachers and the anonymity was maintained. The assessment forms filled by the students were analyzed and each teacher was given feedback. Teacher had also filled up the self-Appraisal Forms.

**Action**—The feedback of the students and principal was taken constructively for the improvement by the staff.

## **24. Feedback from Stakeholders**

Alumni Meet was organized on 19.06.2011. Institute invited regular feedback from all the stakeholders i.e. parents, alumni, etc. Institute has an active alumni association. Feedbacks from all the alumni are taken every year through the alumni meet. The institute conducted its alumni meet and received good feedback from all the alumni members. Alumni shared their sweet memories of the college in this meet.

## **25. Unit cost of education**

The institute charges its annual fee of the course as prescribed by the related authorities i.e. concerned university and board. The students pay their fee in the regular installments and institute spends it on the benefit of the students. Thus the institute always maintains a status of non profit organization.

## **26. Computerization of administration and the process of admissions and examination results, issue of certificates.**

The institute performs all its activities through the computers only. From the admissions to the end of the course all activities are done with the help of computers. On the starting of the session, the enrolled/admitted students' data is maintained in computers and can be printed at any time. At the time of home examinations, the subject paper are made in the electronic form/soft copy. The Awards & Signature Sheets of Practical Exams etc. are fully computerized. At the present stage, salary, bills and other financial bill are prepared through the computers.

## **27. Increase in the infrastructural facilities**

Institute has added a good infrastructure in its existing building this year.

- Updation of Library
- New Computers, LED, Interactive Boards, Podium,
- Furniture was purchased for the college.

## **28. Technology up gradation**

- Four Internet Connections under NME scheme were installed in college- one in Library, one in A-V Lab, one in Computer Lab and one in principal office in the session 2010-2011.
- College website was also updated.

### **29. Computer and internet access and training to teachers and Students**

Computer and Internet facility has been provided to our students & teachers through ICT laboratory as well as library. The institute also provides training to the staff and students for preparation of power point slides, for using of MS Word and social networking websites.

### **30. Financial aid to students**

The institute provided financial aid to the students in the form of fee concession to the financially weak students and scholarship given by the Govt. of Haryana for SC students. At college level such weak students are given the concession of paying the fees in installments. Financially weaker students are also provided the book bank facility under which they are given text books. This can be kept by students for entire year. Our college also practiced the 'Earn while Learn' scheme, in which 2 financially weak students are identified and after giving assistance in college work they get award in the form of money.

### **31. Activities and Support from the Alumni Association**

- Proper counseling of the non-teaching staff.
- Activities in sports meet for non-teaching staff.

#### **40. Good practices of the institution**

- Organization of Regular extension Lectures.
- Organized a number of Workshops .
- Regular educational tours and visits to institution of special children.

#### **42. Action Taken Report on the AQAR of the previous year**

All the activities which are to be performed in the next year are planned and consequently actions are taken to achieve the targets. Planning is made in the meeting of IQAC at the beginning of the session. With the help of previous experiences, actions are taken.

#### **43. Any other relevant information**

Youth festival provides great platform to youth to exhibit their talent and develop in them spirit of healthy competition and social skills etc. Since this institution is having good infrastructure and other facilities for the organization of such a big event. So we ( Vaish College of Education, Vaish College and Vaish Mahila Mahavidyalaya) are planning to organise Youth Festival in the next session.

## **SECTION-C**

### **Outcomes achieved by the end of the year:**

Our institute was established in 1969 and its foundation was laid by the auspicious hands of Mahatma Gandhi. Apart from that Institute is committed to provide the best to the students for their best career. We are working continuously in this direction and trying to get success on most of the platforms. We have learnt from the past experiences and have made our weakness, our strength. In the coming years, institute will grow with the growth and success of its teachers, staff and students.

We spent more on providing best infrastructure, best staff, best teaching-learning facilities and will continue it in the future.
